OGC HAS REVIEWED.

TO: The General Counsel

FROM: Deputy Director, Plans *APP*

SUBJECT: Request for Opinion on Declassification
of Department of Commerce Documents

1. Reference is made to a request to your office from the Department of Commerce for a CIA opinion on the declassification of two documents originating with the Department of Commerce for possible release to the Senate Internal Security Sub-Committee.

2. Copies of the documents entitled "Railway Transportation in Occupied China" - (Volume I, Parts I & II Section A of Part III) and "Preliminary Economic Survey of Korea" have been reviewed by appropriate officials of DDP, who feel that they can be completely declassified and they foresee no objection from an intelligence point of view to their release to the Senate Internal Security Sub-Committee.

3. A third document entitled "Summary of Economic Survey of Japan" submitted for review is unclassified. It is felt that there is no objection from an intelligence point of view to its release to the Senate Sub-Committee.
